Mr. Gonzalo Peschiera, Director
South Florida Safety Program
18731 South Dixie Highway
Miami, Florida 33157

Dear Mr. Peschiera:

On February 22, 2007 the Department received your Traffic Law and Substance Abuse Education Internet course entitled, "Aware Responsible Drivers, Safer Drivers Online Program." Since your in person Traffic Law and Substance Abuse Education course has not been tested for effectiveness in Florida. You are not eligible to submit an online version of that program. From your 2500th graduate there must be 30 months of post education driving experience to conduct the study. By department count you have completed just about 1100 students.

Should you have any questions, comments or concerns please call me at 850-617-2525.

Sincerely,

A handwritten signature in cursive script that reads "Pilar Delp".
